The recommended lodging for this event is to room at the University Place Dormitory at WVU Potomac State College. University Place has three types of rooms. Quad suites are two separate rooms for a total of four individuals sharing one bathroom. Each of the rooms contains two twin size beds. The second room type will be a Private Double Suite. These include two smaller rooms with twin beds and a private bathroom. The Private Double Suites are very limited. The last type of room is a Private Suite where one person has a room and a private bathroom. Lodging at the college includes a pillow, a blanket, one fitted sheet, one top sheet, a pillowcase, two towels, and a washcloth. All common areas are maintained daily. Guests will receive their room key between 10:00 AM and 12:00 Noon on Wednesday, June 7th. Although a continental breakfast is not available, the college grill (located in the dorm) will be open to purchase breakfast and/or coffee. Also, located in University Place is a fitness center, theater, lounges, laundry room and more, all of which will be available to our seniors. Traditionally, lounges and the Heritage room are used each evening by participants to play a variety of board and card games and also to socialize. The beds at University Place are somewhat high. There will be a few step stools available to use during the Olympics. Bingo will be held in the University Place Theater. Lodging at the campus will allow the participants to walk to and from their rooms when they are not competing.

For lodging at the University Place, please fill in your roommate information and make payment with your Olympic registration fee. If you have questions about lodging, please contact our lodging coordinator, Dawn Mallow, 304-788-5467. Traditionally, the rooms on the ground and first floor fill up quickly. Rooms are assigned on a first-come, first-serve basis.
